DESCRIPTION
The Marianist Heritage Student Leadership Award is given to a student who exemplifies the Marianist charism for the good of the University community. The student witnesses, by his or her life, what it means to be formed by Our Blessed Mother Mary for the mission of Christ in the Church. The Marianist Founders modeled a new way of relating to Mary, whose life and love brought Christ to the world. Consider a student who truly personifies this kind of life and love among us today. Any graduating student (December 2017 or May 2018) may be considered for the award.

CRITERIA
When selecting a student for this award, consider a St. Mary’s University student who exemplifies the Marianist charism and lives the characteristics that make ours a Marianist University by evidence of strength in leadership and an active involvement in the building of community.

Give examples you have observed that illustrate the student’s dedication to earning a quality education and a formation in faith; living in family spirit; demonstrating a concern for service, justice, and peace; and being educated for adaptation and change.
